

JetBlue

JetBlue is continuously inspiring humanity both in the air and on the ground with a welcoming and comfortable experience, all while offering a great value at a reasonable price. The airline remains a top choice for business travelers.

Most recently, JetBlue was ranked #1 in the American Customer Satisfaction Index® for air travel, as well as the Best Mid-Size & Low Cost Airline in North America and Top Ten Best Airline in the World in TripAdvisor's Travelers' Choice® Awards for Airlines.

With the JetBlue experience customers receive:

- Personal TV screens at every seat with free live entertainment by DIRECTV® and 100+ channels of SiriusXM® radio
- The most legroom in coach*
- Unlimited brand-name snacks and drinks
- Genuine service from friendly crewmembers

- Fly-Fi®, JetBlue's revolutionary free gate-to-gate Wi-Fi product, allowing travelers to take their business to the sky
- Even More® Space seats, as well as priority boarding and Even More® Speed, a convenient expedited lane to go through security in select domestic markets

Mint®: Refreshing Premium Experience

JetBlue has minted a new way to fly. Mint® is JetBlue's refreshing take on a premium experience. It is top-notch service with stylish lie-flat seats, ideal for business travel road-warriors.

Currently available daily from Los Angeles and San Francisco to Boston, Fort Lauderdale and New York (JFK), Mint is also offered on select flights to Aruba, Barbados, Grenada, St. Lucia, and St. Maarten with service to Las Vegas and San Diego in 2017.

Some features of JetBlue's Mint experience include:

- Fully lie-flat beds up to 6' 8", averaging the longest in the U.S. domestic business class market
- The only private suites with closing doors in the American market, four on each flight

- Seats up to 22.3" wide, making them the widest seats on average in the U.S. domestic market
- Shoe storage
- Dual 110 volt power outlets with two USB port at every seat
- 15-inch flat screen with up to 100 channels of DIRECTV® programming and 100+ channels of SiriusXM® radio

This year we plan to begin the restyling of our Airbus A320 cabins to build upon the popularity of the A321 cabin experience. The transformation will introduce a new inflight entertainment system with larger HD seatback televisions, power outlets, ergonomic seats and generous personal space to accentuate our crewmembers' continued dedication to service and hospitality.

As New York's Hometown Airline™ and a leading carrier in Boston, Fort Lauderdale-Hollywood, Los Angeles (Long Beach), Orlando, and San Juan, JetBlue remains committed to the needs of business travelers.

**Based on the average fleet-wide seat pitch for U.S. airlines*
